RENEWED PETITION UNDER 37 C.F.R. § 1.181
TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION

Sir:

Applicants respectfully request reconsideration of the decision to dismiss applicants' Petition to Withdraw the Holding of Abandonment under 37 C.F.R. § 1.181.

In support of applicants' Renewed Petition, applicants hereby incorporate the Petition to Withdraw the Holding of Abandonment (hereinafter "Petition") filed in the United States Patent and Trademark Office on January 5, 2005.

04/25/2005 AWONDAF1 00000001 061075 09516428

01 FC:1464 130.00 DA

Express Mail No.
EV626910606US

In addition to incorporating the Petition, applicants hereby incorporate the following papers submitted on January 5, 2005 with the Petition: (1) Declaration of Adam M. Saltzman; (2) copy of the front cover of the file folder; and (3) docketing system print-out for the above-identified patent application.

The Decision on Petition to Withdraw the Holding of Abandonment (hereinafter "Decision on Petition") states that applicants did not provide a proper showing for the petition for failure to provide "a docket record showing all responses due by the firm of Fish & Neave, LLP, at and around the due date of September 15, 2004." During a phone conference between Special Programs Examiner Kenneth J. Dorner and the undersigned, the undersigned requested clarification for what is required for such a docket record. Examiner Dorner informed the undersigned that the application number may be blacked out so long as other information is available on the docket record to allow identification of the patent application (e.g., attorney docket number, filing date, etc.).

Applicants enclose herewith a docket record in accordance with the requirements set forth in the Decision on Petition and based on the undersigned's conversation with Examiner Dorner. For the foregoing reasons, applicants respectfully request the Office Action be re-mailed, thus resetting the date for response.

If the Patent and Trademark Office deems that this Renewed Petition to Withdraw Holding of Abandonment Based on Failure to Receive Office Action should be considered a Petition For Revival Of Abandoned Application pursuant to 37 C.F.R. § 1.137, the Director is hereby authorized to charge

payment of the appropriate petition fee set forth in 37 C.F.R. § 1.17, and any additional fees, to the Fish & Neave IP Group of Ropes & Gray LLP Deposit Account No. 06-1075. A duplicate copy of this paper is enclosed.

The Director is hereby authorized to charge \$130.00 in payment of the petition fee set forth in 37 C.F.R. § 1.17, and any additional fees, to the Fish & Neave IP Group of Ropes & Gray LLP Deposit Account No. 06-1075. However, because the filing of this Petition is not due to an error on the part of applicants or applicants' attorney, it is respectfully requested that if this is found that the fee be refunded. In addition, the Director is hereby authorized to charge payment of any additional fees required under 37 C.F.R. § 1.17 in connection with the paper(s) transmitted herewith, or to credit any overpayment of same, to Deposit Account No. 06-1075. A duplicate copy of this paper is enclosed herewith.

Respectfully submitted,
